Your Guide to Bahrain

Located in the heart of the Gulf, the Kingdom of Bahrain is a popular island destination for tourists from all corners of the world with something to do for sea lovers, thrill enthusiasts, families and those simply looking to venture out and explore. Our island accommodates a wide variety of things to do for everyone and we, at NINESEVENTHREE, plan to reveal it all by covering all segments, from entertainment to cultural activities to secret local dining places and much more. NINESEVENTHREE places itself in the heart of tourism by being the first and only platform for all that there is to do and see in Bahrain. By coming out with bi-monthly issues starting in February, April, June, August, October and December - we are not only aware of the seasonal trends, but also fully capable of passing all your relevant information to our followers. NINESEVENTHREE is the ultimate guide to Bahrain.

Shopping

We applaud high fashion and understand that our readers do the same. By following the seasonal trends, NINESEVENTHREE guides its audiences on where to find the hottest new clothes and accessories in shopping destinations across Bahrain, including the biggest malls, names and brands. Seasonal turnovers are celebrated with a sleek design heavily oriented by the use of exciting images of fashion. With an aspirational twist, we give the last word on what to wear and where to buy it.

Dining

We take pride in being able to answer questions tourists and locals have about what to do on the island, especially the million dinar question, "Where should we eat?". With that, we boast a unique collection of destinations, varieties and cuisines.

At NINESEVENTHREE, we are all aware of all the different tastes our readers have, thus we cater to all. From featuring the oldest local cafes in the hearts of Manama to the best sea-view restaurants, we easily provide a wide range of options.

Nightlife

It is no doubt that Bahrain has a large party scene. With a handful (or two!) of events happening every day, it is sometimes hard to keep track -this is where NINESEVENTHREE steps in. By selecting a number of different lounges and bars per issue, we cover the hottest and most important spots around the Kingdom.

Spa/Health /Beauty

One of NINESEVENTHREE's many approaches on encouraging its' readers to unwind and relax is by presenting them with an array of the many spas, health and beauty centers available from coast to coast. With a thriving industry in the country, from high end fitness centers to the most innovative beauty parlors, we guide our readers on where to enjoy a couple hours of much deserved serenity and pampering.
